

GROUP TOUR with Randi/ EL HIERRO OCTOBER 2025

08.10: Arrival at 14:00h at Tenerife South Airport and transfer to the Port of Los Cristianos. Departure at 17:00h with a modern FRED OLSEN catamaran-ferry to Pto. Estaca/El Hierro. Transfer to hotel BOOMERANG and Meet and Greet with guide Ralf and first dinner in a nearby restaurant.

09.10.: After the breakfast buffet, start for the first walk. We are passing the enormous water deposit of the hydro power station GORONA del VIENTO. The next stop is at TIÑOR, a very old village with 10 inhabitants only. We follow the procession path direction San Andrés and have a closer look at the abandoned village of ALBARRADA. From here, we are ascending to the replantation of the holy „Rain Tree“, which rescued the locals from the lack of sweet water in former times. A visit center is also our picnic-place. From here, we are descending to the hotel VILLA MOCANAL (2*) The dinner with a huge Paella is provided in a restaurant. (ascent and descent 400m, 10 km aprox.)

10.10.: Walk on the „Northern Path“ to the viewpoint and restaurant LA PEÑA designed by Cesar Manrique. The building with its view into the valley of Frontera is awesome and breathtaking. Coffee stop and the walk is continuing to the farmers village SAN ANDRES, where we are having a typical Canarian lunch. One hour more now to the viewpoint of JINAMA, 1.230m upon sea level. Transfer from here to the county of Frontera, the secret capital of the island with dominating pineapple plantations. Accommodation for 3 nights is a modern apartment complex with a restaurant nearby. (ascent 700m, 13 km aprox.)

11.10.: A light circular walk to the coastline and to the rock pools of LA MACETA. Depending on the current, swimming is possible. Lunch in a rustic cottage nearby and a nice walk at the seaside to LAS PUNTAS and the ex-tiniest hotel of the world. Back to the apartments by bus or in addition a visit of the ecomuseum GUINEA and the lizard repopulation center (descent 300m, 5 km. aprox.).

12.10.: After breakfast transfer with luggage to the most westerly village of the island, SABINOSA. A long ascent on an old shepards path to the viewpoint of LOS BASCOS and shortly after to the emblematic twisted trees EL SABINAR. From here, a dusty path is leading us to the sanctuary ERMITA VIRGIN de los REYES. Pick at the chapel and return to Frontera by bus with an outstanding view to the old lighthouse. (ascent 500m, descent 200m, 10km aprox.)

13.10.: We don't really start at La Frontera but having a lift by bus to halfway up the escarpment. After a climb top the crest an airy but safe and easy walk takes us through the volcanic cones around MALPASO, the highest point on the island, 1501m., before a descent on forest tracks through the spacious and beautiful Canarian Pine forest. After a coffee break in El Pinar, a bus is taking us down to the sunny fishermen village La Restinga. (ascent 750m, descent 700m, 17km aprox.)

14.10.: Free day for bading, snorkeling and relaxing in Restinga or self guided walk through the lava fields from EL PINAR to LA RESTINGA after taking the regular bus up. Nice farewell dinner at a fish restaurant. (descent optional 800m, 8km aprox.)

15.10.: After breakfast, transfer to Valverde Airport and flight at 11:10h to Tenerife North Airport. Transfer to Tenerife-South airport and flight back back to Torshavn.
